

Terri Ashida-Fields Scholarship

Terri Ashida-Fields was a devoted teacher who believed in improving lives through education. Terri and her husband Rob began teaching at USD 465 in 2000. She was diagnosed with ovarian cancer in 2008 and passed away in 2017. During her over eight-year battle with cancer, Terri and her family received support from many members of the community, but especially from their USD 465 colleagues. This \$2,000 scholarship has been established in Terri's memory in order to honor her love of teaching and education and to support USD 465 employees as they supported her.

Criteria

- Current Staff Member at USD 465
- Staff pursuing a Master's degree or licensure in approved area
- Employed by USD 465 for the following school year*
- Completed Application
