2021 - 2022

H.L. Snyder Medical Foundation
High School Healthcare Grant 2021-2022

The H.L. Snyder Medical Foundation (HLSMF) has established a grant program to assist Winfield High School students who are going into or already in the healthcare and bioscience field and who would like to advance their knowledge and skill. Applicants must be a Winfield High School - USD 465 student. Applicants must be enrolled in a healthcare or bioscience program. These do not include veterinary medicine, acupuncture, chiropractic, Chinese herbal medicine, homeopathy or similar related fields.

Application Guidelines for all grant applicants:

1. A letter will be required from the applicant's college/university or healthcare program certifying that the applicant is enrolled to study in the healthcare or bioscience field.
2. The grant checks will be payable to and sent to the college/university or seminar, conference or continuing education program.
3. Letters of recommendation should be sent to: H. L. Snyder Medical Foundation, 1407 Wheat Road, Winfield, Kansas 67156.
4. Grant amounts may vary due to changing income of the grant fund, the number of grants awarded and other factors.
5. If an applicant drops from the healthcare or bioscience program, or seminar, conference or continuing education program during the course of the semester/program in which the grant was awarded, then the applicant is obligated to refund, within 15 days, the amount of funds advanced to the applicant for that semester/program.
6. Other than through the application itself, any attempt by an applicant or by another person on behalf of the applicant to influence any member of the grant award committee as to the awarding of the grants will subject the applicant to disqualification.
7. Neither family members of the Trustees of HLSMF nor family members of the grant committee will be eligible for these grants.
8. Grants will be awarded without regard to race, creed, color, religion, national origin, gender or handicap.
9. Grant recipients and the amounts of their awards will be included in a story concerning that year's HLSMF grant awards to be published in one or more local newspapers.
10. Photocopies of Drivers License and Social Security Cards.

All information obtained from this application will be kept private and will not be given to any other person or organization not affiliated with the grant program. **INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED.**

Applicants eligibility requirements include the following:

The IRS (Section 4958(e)(1)) states that the "intermediate sanctions" rule is applicable and prohibit a "disqualified person" from receiving an "excess benefit" (eg, scholarships and grants are considered an "excess benefit"). A "disqualified person" is a grandchild, son, daughter, niece, nephew or first cousin of existing trustees. However, a relative of a trustee may receive "excess benefits" beginning 5 years after the date upon which a trustee retired

Applicants are considered INELIGIBLE if you are related, as indicated in the aforementioned paragraph, to any of the following HLSMF Foundation Board of Trustees:

David Andreas, Atty.	Dennis Herlocker, Atty.
Caroline Blakeslee	Tom Herlocker, Atty.
Grant Blakeslee	Alan Herrman
