H.L. Snyder Medical Foundation Healthcare Scholarship 2022-2023

The H.L. Snyder Medical Foundation (HLSMF) has established a scholarship fund to assist Winfield students who are going into the healthcare and bioscience field. Students must be a resident of Winfield for the last 3 years or a graduate of WHS-USD 465 and enrolled full time, (12 hours or more) per semester, in an accredited university or college program in the healthcare field. Scholarships will be available to students (freshmen, sophomores, juniors, seniors, and graduate students) with a 3.0 GPA or higher and are entering the healthcare or bioscience field.

The scholarship will be made payable at the beginning of the fall semester to the accredited college or university where the student has been accepted as a full time student in a healthcare or bioscience program. The HLSMF Board has the option to request an official transcript at any time.

Student selected to receive scholarships must thereafter be “full time” students each semester and must attain a “B” or better grade point average (3.0 on a 4.0 scale) each semester to be eligible for continued funds.
